

project PROPOSAL

Suite Rooms

6TH FLOOR

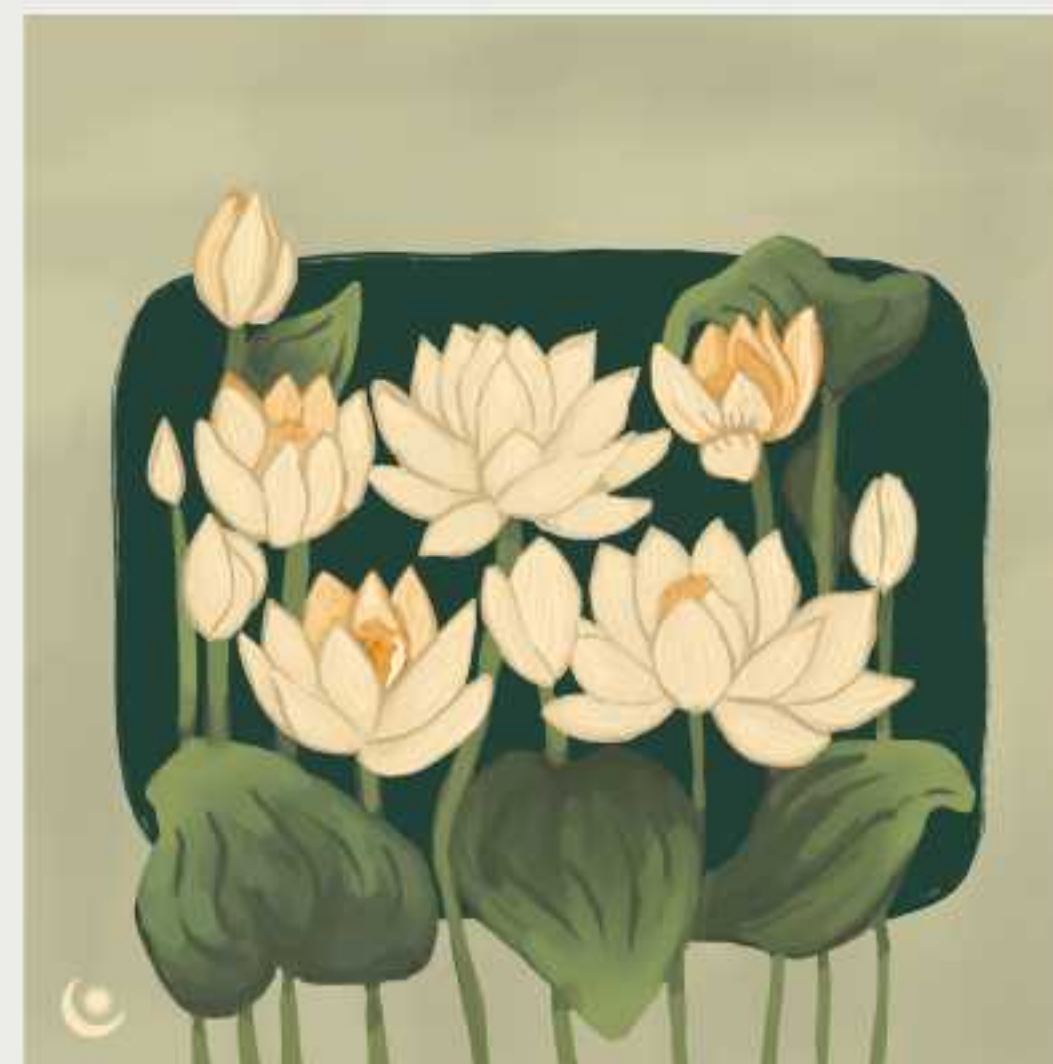

Yellow Accent Wall

OUR INPUT

A soothing artwork in warm hues that echoes the accent wall, unifying the room into a single, cohesive design narrative.

OPTION 1: EXISTING ART

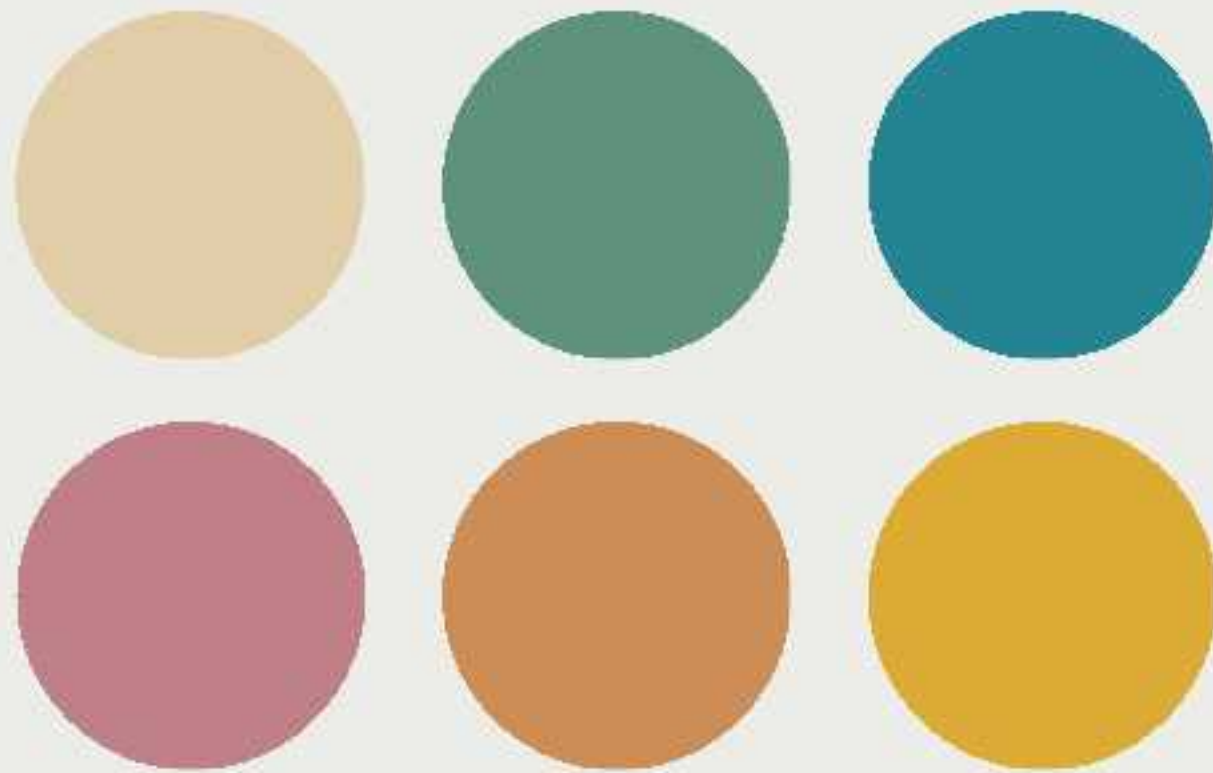

Option 2: Bespoke Art

VISUAL THEME

A serene figure surrounded by natural elements—symbolizing healing, and renewal through soft, organic forms.

COLOUR THEME

Adjacent Wall

OUR INPUT

Pair of abstract prints that gently echo the theme without competing, allowing the main accent wall to command attention while keeping design cohesive.

EXISTING ART

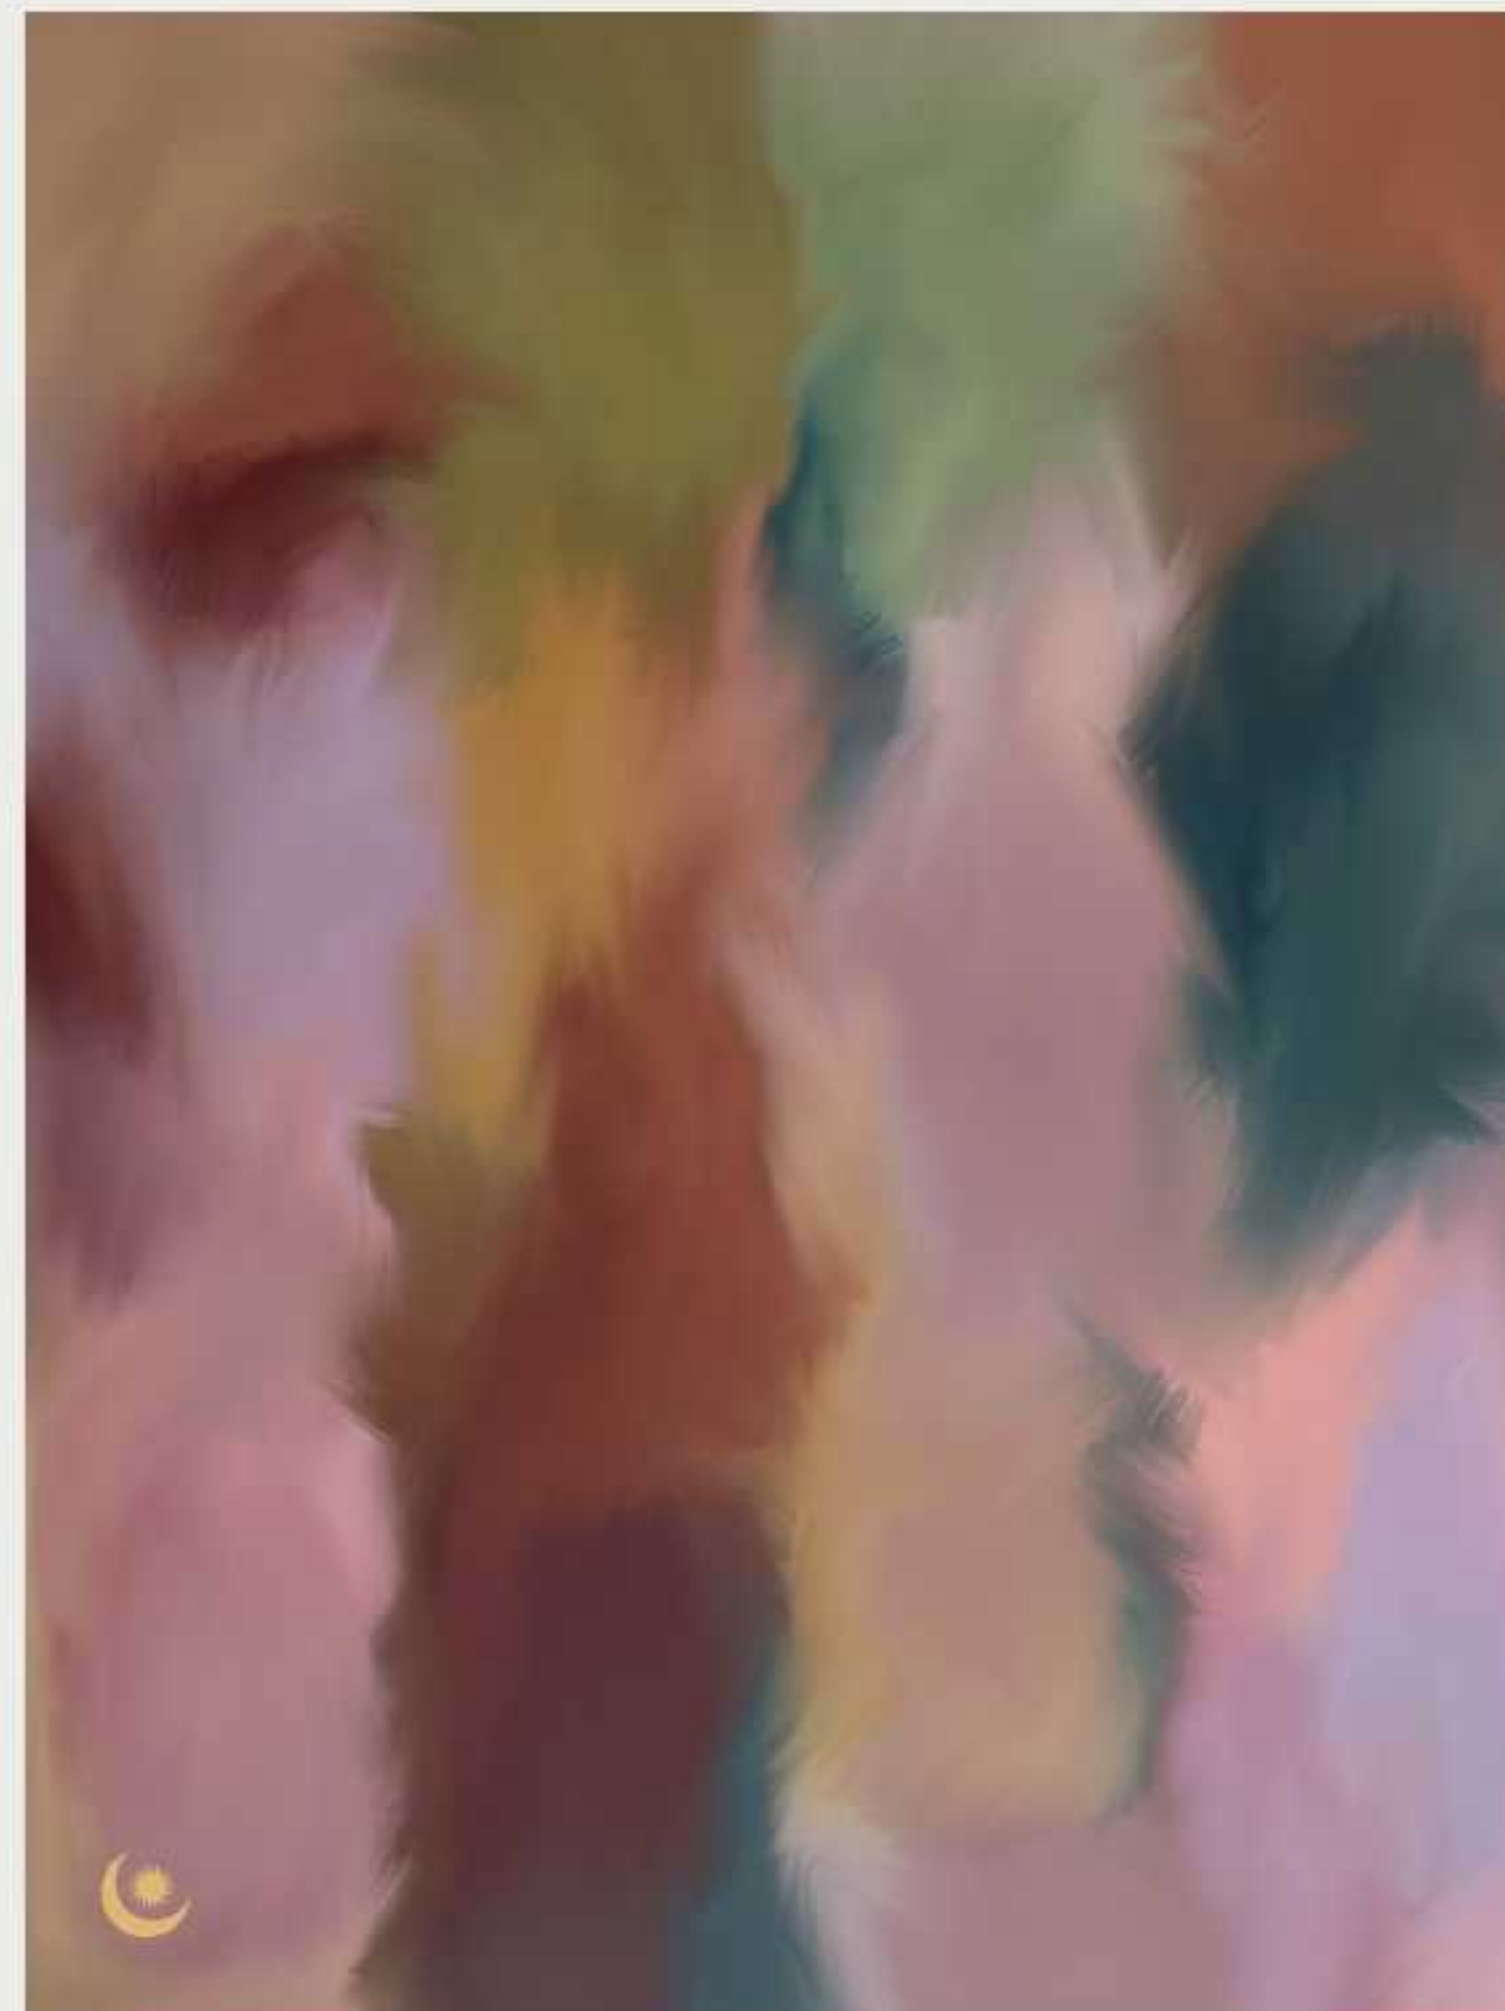

Adjacent Wall

EXISTING ART

OUR INPUT

Single large abstract print that gently echo the theme in the main sitting area, keeping design cohesive.

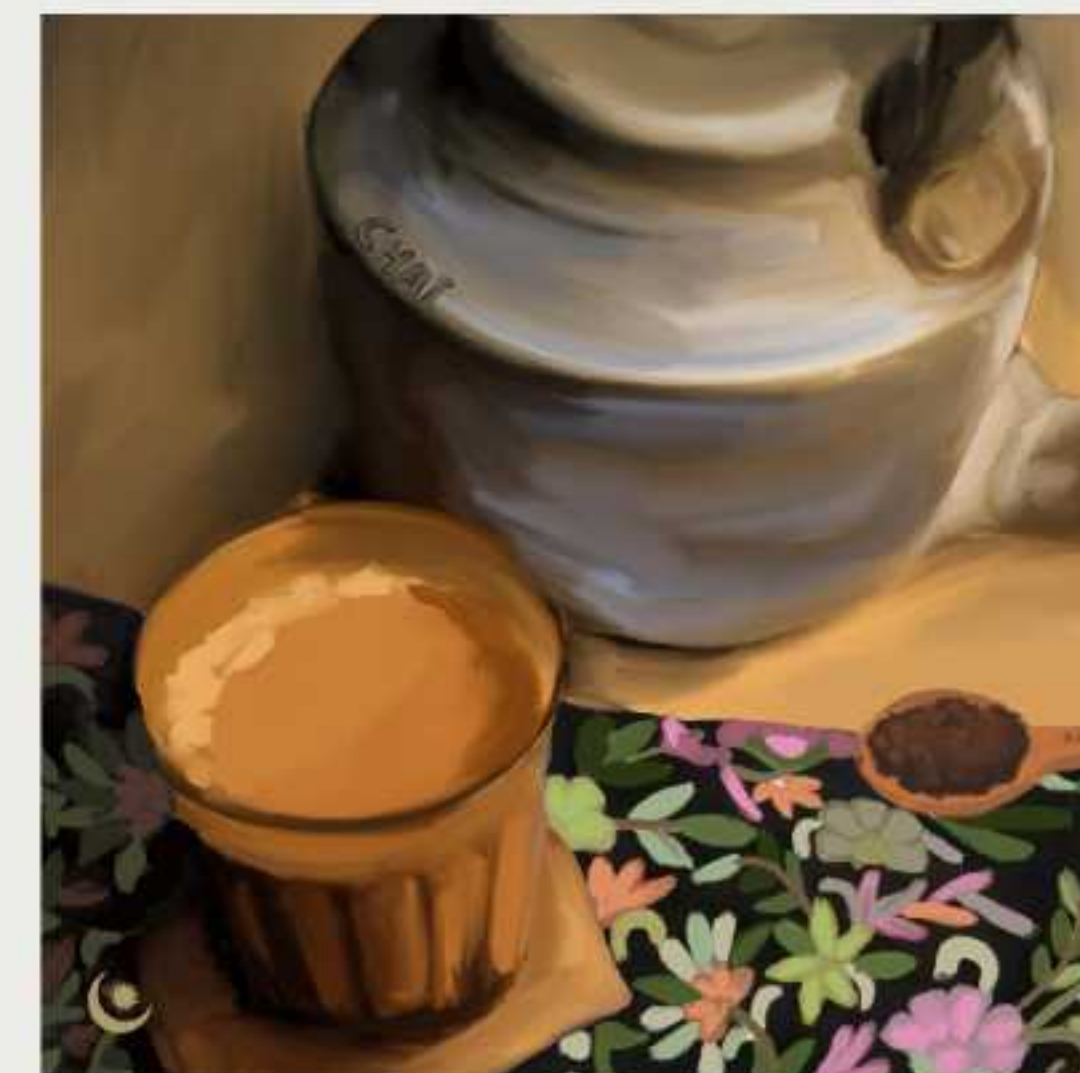

Pantry Wall

OUR INPUT

An often-ignored space that gains surprising dimension through on-theme art to enhance the patient experience. One medium print would work well here.

EXISTING ART OPTIONS

Synaecology Dept

1ST FLOOR

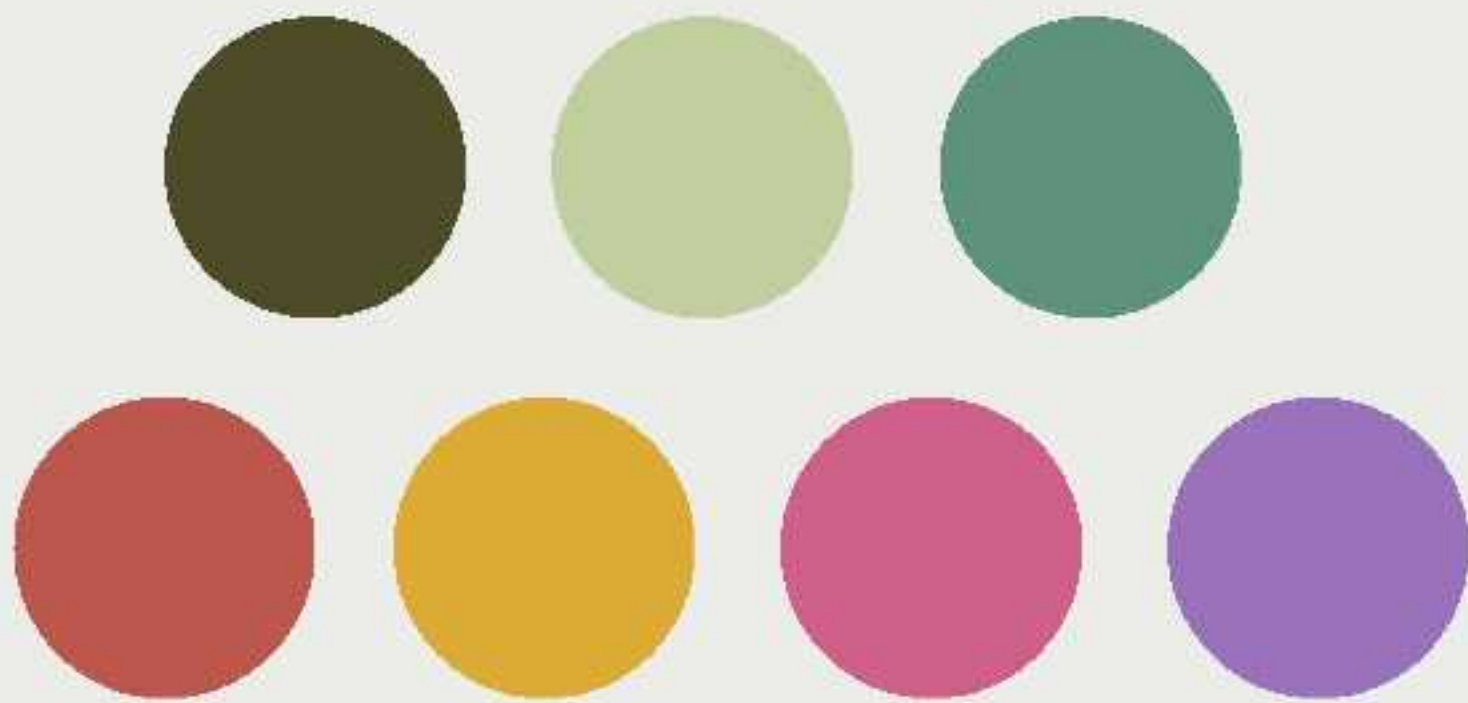

DESIGN THEME

VISUAL THEME

A celebration of motherhood and feminine strength. Soft, dreamlike imagery of infants, mothers, and nurturing moments—rendered in a luminous, soothing palette that transforms the space into a sanctuary of care and renewal.

COLOUR THEME

Multiple Walls in Hallways

OUR INPUT

Multiple prints across walls; imagery of pregnancy, motherhood, and infancy that honor the profound power and beauty inherent in feminine creation.

MULTIPLE ARTWORKS

LDR

1ST FLOOR

Main Room Wall

OUR INPUT

A single custom large statement piece. Soft, organic brushstrokes depicting peaceful, nurturing scenes—inviting calm and hope.

Main Room Wall

OUR INPUT

Soft florals and ethereal imagery reinforce the tender aesthetic, creating visual continuity with the infant care areas while maintaining thematic unity. One large piece.

EXISTING ART OPTIONS

Main Room Wall

OUR INPUT

Soft florals and ethereal imagery reinforce the tender aesthetic, creating visual continuity with the infant care areas while maintaining thematic unity. Pair of 2 prints.
